FREE DAILY MEDICAL CAMP REPORT

Date	06.10.2025
Time	10.00 AM – 12.30 PM
Venue	Village Singhwa
Speciality	General Camp
Organizer	NCA, Barwala

Team members

- Dr. Parvesh Kumari – Department of Panchakarma

Brief about the event

A half-day camp was organised at Village Singhwa. Dr. Parvesh Kumari led the consultation camp along with two interns of NCA & H. The Majority of the cases were of Hypertension, Respiratory Disorders, Skin Disorders, and Arthritis. A total of 82 patients availed the facility and they were suggested lifestyle modification and educated about the departments and facilities of National Ayurveda College & Hospital, Barwala.

Suggested actions

- Periodic lifestyle modification classes by the concerned departments would help the people believe in the system, which, in the long run, can improve the health and lifestyle of the public in the village.
- Follow-up calls to the patients will be ideal as the village public is not fully accustomed to the Ayurvedic medicine and services.

FREE DAILY MEDICAL CAMP REPORT

Date	27.10.2025
Time	10.00 AM – 12.30 PM
Venue	Barwala
Speciality	General Camp
Organizer	NCA, Barwala

Team members

- Dr. Khusboo– EMO

Brief about the event

A half-day camp was organized at Barwala. Dr. Khusboo led the consultation camp along with two interns of NCA & H. The Majority of the cases were of Joint pain, Diabetes, anemia, Allergy and Asthma. A total of 116 patients availed the facility and they were suggested lifestyle modification and educated about the departments and facilities of National Ayurveda College & Hospital, Barwala.

Suggested actions

- Periodic lifestyle modification classes by the concerned departments would help the people believe in the system, which, in the long run, can improve the health and lifestyle of the public in the village.
- Follow-up calls to the patients will be ideal as the village public is not fully accustomed to the Ayurvedic medicine and services of our hospital.
- A food and lifestyle survey in the village followed by an interpretation of prevalent disease pathology will help us to guide them with better and more effective methods for healthy living.
