FREE DAILY MEDICAL CAMP REPORT

Date	24/04/2024
Time	10 AM – 01.30 PM
Venue	Khanpur
Speciality	General Camp
Organizer	NCA, Barwala

Team members

- Dr. Jyoti Saini – Associate Professor – Department of Shalyatantra
- Dr Neelam Lohan – Intern NCA & H
- Dr Sonam – Intern NCA & H
- Dr Rakesh Suthar – Intern NCA & H
- Dr Kartik – Intern NCA & H

Brief about the event

A half-day camp was organised at Khanpur village on 24th April 2024. Dr Jyoti Saini led the general consultation camp along with two interns of NCA & H. The Majority of the cases were of metabolic disorders like Type 2 Diabetic Mellitus, Hypertension and Respiratory issues. A total of 30 patients availed of the facility and they were suggested lifestyle modification and educated about the departments and facilities of National Ayurveda College & Hospital, Barwala.

Suggested actions

- Periodic lifestyle modification classes by the concerned departments would help the people believe in the system, which, in the long run, can improve the health and lifestyle of the public in the village.
- Follow-up calls to the patients will be ideal as the village public is not fully accustomed to the Ayurvedic medicine and services of our hospital.
- A food and lifestyle survey in the village followed by an interpretation of prevalent disease pathology will help us to guide them with better and more effective methods for healthy living.

Suggested actions

- Periodic lifestyle modification classes by the concerned departments would help the people believe in the system, which, in the long run, can improve the health and lifestyle of the public in the village.
- Follow-up calls to the patients will be ideal as the village public is not fully accustomed to the Ayurvedic medicine and services of our hospital.
- A food and lifestyle survey in the village followed by an interpretation of prevalent disease pathology will help us to guide them with better and more effective methods for healthy living.

Report on World day of safety & health at work

Awareness lecture & interactive session on occupational health at Rajiv Gandhi Thermal Power Plant Khedar , HR

Organized by Department of swasthavritta and Yoga

Speaker – Dr. Bipin Anil Samant

Organizer – Dr. Preeti

Moderator – Dr. Jyoti

Yoga Teacher – Mr. Pankaj

Internee – Mr. Sameer

Date – 26/04/2024

Time – 10:00 am onwards

On the occasion of World day for safety and health at work an awareness lecture was organised by department of Swasthavritta and yoga, National College of Ayurveda and Hospital at Rajiv Gandhi thermal power plant, khedar Hisar, Haryana on 26 April, 2024. On the occasion of the day it was celebrated with the working staff of thermal power plant with the lead of Mr SP Arya from the plant and awareness lecture was given by professor Bipin Anil Sawant, HOD from the department of Swasthvritta. Along with that there is demonstration of yogik procedures for maintenance of Health and prevention of the diseases which can be caused by hazards and environment at workplace.

Organiser for the event was Dr. Preeti.

Interactive session was done with the working staff regarding what type of occupation hazards they are facing and what can be there outcome, how these diseases can be prevented and role of Ayurveda and yoga in their prevention and Management. They were also guided for the type of diet which can be followed for maintenance of their optimum health.

Total number of registered candidates for health inspection were 14 all were male, within the age group of 28 to 54 years, they were working at different set of areas within the thermal power plant and most exposed to the hazardous environment. How ever there was no specific kind of diseases were found but they had complaint, occasionally they used to face

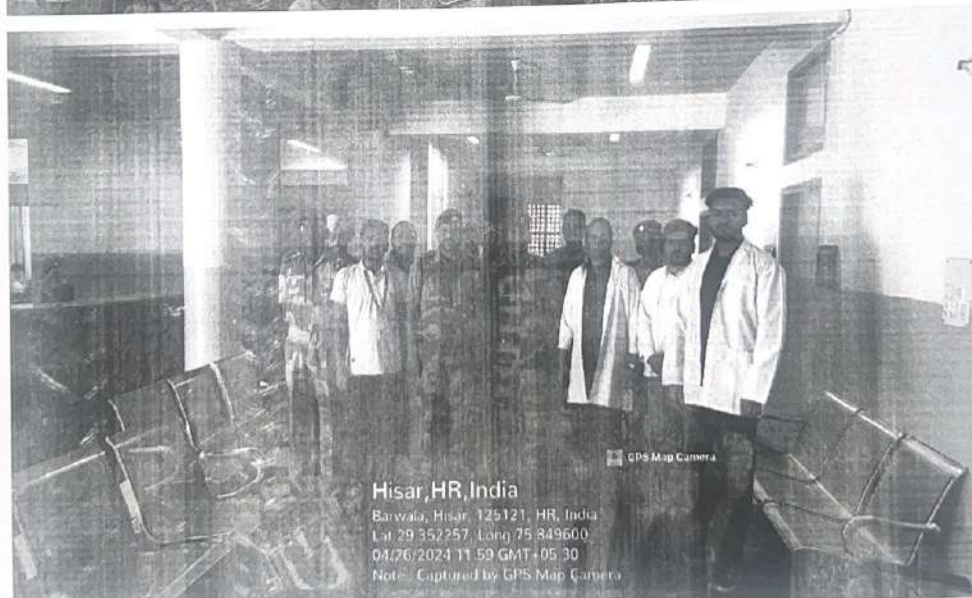

respiratory issues and digestive disorders. It can be concluded that if any sort of purification procedure or camp advocated by the hospital management the beneficiaries can be benefited.
