Team members

- Dr. Riya – Assistant Professor – Department of Prasuti Tantra evum Stree Roga
- Palak– Intern NCA & H
- Kanishka– Intern NCA & H
- Raman- Intern NCA & H

Brief about the event

A half-day camp was organised at Laxmi vihar colony Barwala on 7th August 2024. Dr Riya led the general consultation camp along with two interns of NCA & H. The Majority of the cases were of Pain, Hypertension and Respiratory issues. A total of 15 patients availed of the facility and they were suggested lifestyle modification and educated about the departments and facilities of National Ayurveda College & Hospital, Barwala.

Suggested actions

- Periodic lifestyle modification classes by the concerned departments would help the people believe in the system, which, in the long run, can improve the health and lifestyle of the public in the village.
- Follow-up calls to the patients will be ideal as the village public is not fully accustomed to the Ayurvedic medicine and services of our hospital.
- A food and lifestyle survey in the village followed by an interpretation of prevalent disease pathology will help us to guide them with better and more effective methods for healthy living.

FREE DAILY MEDICAL CAMP REPORT

Date	30/08/2024
Time	10.00 AM – 12.30 PM
Venue	Village Panghal
Speciality	General Camp
Organizer	NCA, Barwala

Team members

- Dr. Parvesh Kumari [Associate Professor]– Department of Panchakarma
- Dr. Latasha– Intern NCA & H
- Dr. Divya – Intern NCA & H

Brief about the event

A half-day camp was organised at Village Panghal. Dr. Parvesh Kumari led the consultation camp along with two interns of NCA & H. The Majority of the cases were of Hypertension, Respiratory Disorders, Skin Disorders, and Arthritis. A total of 20 patients availed the facility and they were suggested lifestyle modification and educated about the departments and facilities of National Ayurveda College & Hospital, Barwala.

Suggested actions

- Periodic lifestyle modification classes by the concerned departments would help the people believe in the system, which, in the long run, can improve the health and lifestyle of the public in the village.
- Follow-up calls to the patients will be ideal as the village public is not fully accustomed to the Ayurvedic medicine and services.
