Brief about the event

A half-day camp was organised at Barwala on 02.05.2024. Dr Rajguru led the general consultation camp along with two interns of NCA & H. The Majority of the cases were of metabolic disorders like Type 2 Diabetic Mellitus, Hyperacidity, Hypertension and Respiratory issues. A total of 19 patients availed of the facility and they were suggested lifestyle modification and educated about the departments and facilities of National Ayurveda College & Hospital, Barwala.

Suggested actions

- Periodic lifestyle modification classes by the concerned departments would help the people believe in the system, which, in the long run, can improve the health and lifestyle of the public in the village.
- Follow-up calls to the patients will be ideal as the village public is not fully accustomed to the Ayurvedic medicine and services of our hospital.
- A food and lifestyle survey in the village followed by an interpretation of prevalent disease pathology will help us to guide them with better and more effective methods for healthy living.
